Lavrancea, Aug. L.

NEW YORK, Aug. J. Twenty-four-cases and ten deaths by chal-

A Havang letter save on ther Spanish tives and counterfeaters, fleet is supposed to be more South Pacific. John S. Young, for ports to make war magness the ullied South

received a dogsitch from tien. Sheridan

He says they were not the solden outbreak | was shot and is tikely to die. of an excited mah, but the result of a pre-concerted plan to murder the leading Union men in the State, exposed weeks ago. He does not consider the office over

lay, there has been a decrease of about | hundred words per day. The report was | Day one Box of the Penn's rait Manufacturing Co.'s \$125,000,000 in the amount of debt.

New York, Aug. 4: Durnty-four onces and two deaths by childra were reported in the city yesterday. Since July 28th 16th dead in this city of the disease. The report from Benklyn gives 15 cases and 6 denths yesterday. The disease is abating on Governor's Island and on Davids

and Harts I fards matters appear better.

An Ottowa disputch says the Republican party has been defeated in about efforts to get a Democratic form of government for Lower Canada, by a vote of 69 to 31. Upper Canada will have a legislature of one upper chamber which was sought by the Republic

the military commission appointed to inves-tigate the massacre of Union men, took Dr. Dostic's deposition. John Henderson and Rev. Mr. Houton were too week to give evidence. Hop, Mr. Brust and Hon, Gra-Howe are among the dangerously wounded. Gov. Hahn and Hon. S. S. Fish are badly wounded, but will record.

FROM EUROPE.

The steamer Germania brings the following details of European as we to the 28th:
A great Reform demonstration took place
in Hydepark on the 25d; 1500 police and two companies of Light and Foot Guards were called out. Nathing extrans occurred. In the House of Commens on the 23d, Lord Stanley replied to Mr. White, acknow-ledging to the fullest extent the friendly and rable conduct of the United States submitting of the Alabama claims to arbitration, as the discussion of these claims had been closed sometime ugo and had not been enewed since the present Government came into office, he declined to give opinion on the

Austria has accepted preliminaries of peace submitted by Prussia.

Pleniparentiaries had assembled at the Prussian bendquarters to negotiate an armistice. Italy's definite regly was expected.

The preliminaries of peace proposed by Prussia and approved by France are:

Austria is to recognize the desolution of the former German Band and the organization of a new Confederation trea which tion of a new Confederation from which Austria is excluded. Austria agrees to this. North Germany is to form a union under Prussm's direction, with annexation of the Elbe Duchies to Prussia except Danish Schleswig, part payment by Austria of the war expenmaintenance of Austria's integrity, ex-

cepting Venetia.

Prussia intends annexing territory containing three millions of people.
